Perspection, Inc.

Microsoft Windows 7 On Demand has been created by the professional trainers and writers at Perspection, Inc. to the standards you've come to expect from Que publishing. Together, we are pleased to present this training book.

Perspection, Inc. is a software training company committed to providing information and training to help people use software more effectively in order to communicate, make decisions, and solve problems. Perspection writes and produces software training books, and develops multimedia and Web-based training. Since 1991, we have written more than 100 computer books, with several bestsellers to our credit, and sold over 5 million books.

This book incorporates Perspection's training expertise to ensure that you'll receive the maximum return on your time. You'll focus on the tasks and skills that increase productivity while working at your own pace and convenience.

We invite you to visit the Perspection Web site at:

About The Author

Steve Johnson has written more than 45 books on a variety of computer software, including Adobe Photoshop CS4 and CS3, Adobe Flash CS4 and CS3, Dreamweaver CS4 and CS3, Adobe InDesign CS4, Adobe Illustrator CS4, Microsoft Office 2007 and 2003, Microsoft Windows Vista and XP, Microsoft Expression Web 2, Microsoft Office 2008 for the Macintosh, and Apple Mac OS X Snow Leopard. In 1991, after working for Apple Computer and Microsoft, Steve founded Perspection, Inc., which writes and produces software training. When he is not staying up late writing, he enjoys playing golf, gardening, and spending time with his wife, Holly, and three children, JP, Brett, and Hannah. Steve and his family live in Pleasanton, California, but can also be found visiting family all over the western United States.

A large, light blue, lowercase letter 'a' is positioned in the bottom left corner of the page, partially overlapping the light blue vertical bar.

We Want To Hear From You!

As the reader of this book, *you* are our most important critic and commentator. We value your opinion and want to know what we're doing right, what we could do better, what areas you'd like to see us publish in, and any other words of wisdom you're willing to pass our way.

As an associate publisher for Que, I welcome your comments. You can email or write me directly to let me know what you did or didn't like about this book—as well as what we can do to make our books better.

Please note that I cannot help you with technical problems related to the topic of this book. We do have a User Services group, however, where I will forward specific technical questions related to the book.

When you write, please be sure to include this book's title and author as well as your name, email address, and phone number. I will carefully review your comments and share them with the author and editors who worked on the book.
